UNDP

This certifies that

# Bak Chaewon "Michelle"

has succesfully used the power of design to have a direct impact on the Global Goals for Sustainable Development in the

# Global Goals JAM

## 2020 edition

and is therefore part of a community of designers and do-ers who are equipped to use design sprints and design methods in multidisciplinary teams. The Global Goals Jam aims to use the power of this community to tackle big (global) issues by taking small (local) steps

## Think big, Start small, Act fast
